**PROFESSIONAL EXPERIENCE:**

**Presently – Commander of Support Services**

As Support Services Commander, I am responsible for the daily operations of the Communications and Records Sections of the Police Department. In addition to applying and monitoring grant funds.

**2005- 2011 Lieutenant Patrol Shift Commander**

My duties consist of planning, directing, and supervision of all operations and personnel within the respective patrol shifts for the department. I respond to, provide on-scene command supervision at major crimes and incidents, and evaluate emergencies, determining the appropriate response or strategy.

**2001 – 2005 Deputy Chief of Operations**

- As Deputy Chief, I reported directly to the Chief of Police. I was responsible for all operational aspects within the Patrol, Investigations, and Special Operations Divisions. This includes Patrol, School Resource Officers, Traffic, K-9, Swat, Detectives, Crime Scene Investigators, Narcotics, and Gangs Officers.
- Formulated and implemented division polices, including police service planning, organizational development, personnel management, administrative, financial, budgetary operations, and labor relations.
- Provide the Chief of Police with current operating and technical support.
- Act as Chief of Police in the absence of the Chief.
- Prepared and administered several successful grant applications.
- Implemented Community Policing and Community Outreach programs.

**2000 to 2001 Commander of Patrol Division**

As Patrol Division Commander, I was responsible for the uniform patrol functions of the department including 24-hour response to initial investigations of crimes and incidents, traffic enforcement, community policing programs, crime prevention functions, and specialized operations such as SWAT, K-9, and coordination for special events. I appointed personnel to assignment within the division and provide supervision for approximately 43 sworn officers and
