 Category: Board Action
 Explanation: Approve to accept Bid # 613-Network Upgrade Franklin
 Recommendation: Approved

**Network Upgrade Franklin
 BID TABULATION SHEET**

BIDDERS	PRICE
Howard Technology	\$37,613.00
Academic Tech.	\$70,957.22
Logista	\$123,055.86
Synergetics	\$74,964.72 w/additional options

Signature: 
 Craig Shannon, Deputy Superintendent

Witness: 

Bid # 613-Network Upgrade Franklin Recommendation

Howard Technologies did not meet the bid specifications which included wiring, a wireless controller and wireless access points. Their bid was for a wireless controller and wireless access points. Wiring was not included.

Academic Technologies quoted 10 access points instead of 30 required by bid specs. Therefore, their bid did not meet specifications.

Logista and Synergetics met bid specifications.

Recommendation: *Accept the lowest bid that met specifications which is \$74,964.72 and include the option to connect closets via fiber for \$1,361.98 from Synergetics for a total of \$76,326.70.*

Note: This project is dependent on E-Rate funding as specified in the bid specs.

E-Rate funding expected: \$68,694.03

District funds required: \$7,632.67
