School districts and businesses provide ongoing training opportunities for continuous improvement for employees to ensure a quality workforce capable of producing high quality products, processes or educational systems.

CMSD Professional Development Report Meets the following Strategic Planning Goals and Objectives:

Goal 2, Objectives 5.1 - 5.5

- Objective 5.1: Insist and Monitor Effective Leadership by School Measured by the MS Administrator Evaluation
- Objective 5.2: Create a District Level Leadership Development Academy and Annual Summer Leadership Institute
- Objective 5.3: Insist on Professional Growth and Professional Development in Areas of Needs and Achievement
- Objective 5.4: Re-Purpose Central Office Administrators to Become District Achievement Coaches for Schools
- Objective 5.5: Implement a "Quarterly Achievement Progress Report" for the Board and Stakeholders
