TO ALL INTERESTED AGENTS:

EXPANSION OF DISTRICT BOUNDARIES
DISTRICT 5 FIRE DISTRICT
OKTIBBEHA COUNTY, MISSISSIPPI

We have been officially advised that the boundaries of the District 5 Fire District, Oktibbeha County, Mississippi were extended effective February 23, 2017.

The fire department for this District DOES PROVIDE PRIMARY RESPONSE to residential fires outside its legal boundaries.

To assist you in determining the location of properties included in the District 5 Fire District, we are enclosing a copy of a map showing the boundaries of the District.

Please note that this District has an alternate water supply, therefore, the standard fire hydrant distance is waived.

Any insurance contracts covering dwellings located in the District may be endorsed from February 23, 2017, on a pro rata basis to take advantage of the current fire premiums indicated in our Mississippi Dwelling Manual.

Homeowners Policies and Comprehensive Dwelling Policies also may be endorsed on a pro rata basis to take advantage of applicable rates or premiums.

It will be necessary that we survey or resurvey and publish or republish Loss Costs for specifically rated mercantile or special class properties which were brought inside the District by this action. If you have a specific mercantile or special risk that you feel is affected by this expansion, please advise our Rating Department so we will be able to schedule a survey by our District Representative during his next trip to this area. Properties that have a needed fire flow greater than 3,500 gallons per minute require an individual property fire insurance classification.

A computer printout will be mailed to those who submit a specific request. The effective date of the Loss Costs will be made retroactive to February 23, 2017.

Following publication of information for class rated properties and Loss Costs for specifically rated properties, policies which cover these properties, and which have inception on or after February 23, 2017 may be endorsed from inception to the new rate, while policies having inception prior to February 23, 2017 may be endorsed from February 23, 2017, to expiration on a pro rata basis. In calculating the new rates and premiums for these endorsements, the inception date of the policy or the last endorsed anniversary date determines the rate adjustment, if any, applicable.

Yours very truly,

Joe S. Shumaker
