

Proposed Improvements

1. Upgrade the signal to flashing yellow arrow at the intersection of US 45 and 18th Avenue.
2. Construct right-in/right-out at Old Aberdeen Road and 18th Avenue on the north and south approaches with a corresponding slotted curb along 18th Avenue.
3. Upgrade traffic signals at 18th Avenue at 5th Street and 18th Avenue at US 82 WB Ramps.
4. Interconnect 18thAve./US Highway 82 WB ramp traffic signal with 18th Ave./5th Street traffic signal and implement new phasing between the two intersections.
5. Widen US Highway 82 WB ramp to allow dual rights and align through/left turn lane with entrance ramp.
6. Install a traffic signal at 18th Avenue and US 82 EB Ramps.
7. Realign/widen US 82 EB Ramps at 18th Avenue with the entrance ramp.
8. Optimize signal timings along 18th Avenue.
