Columbus Municipal School District - Aramark Inquiries

- 1 \$75,000 investment. Is this a one-time donation at the beginning of the contract? Who decides how the money is spent? ***This is not a donation, CMSD would pay this money back over the course of the contract. CMSD will decline this offer.***

- 2 Rates: Breakfast vs. Lunch vs. Snacks. ***CMSD is opting to keep the rates .0796 for breakfast meals served and 0.803 for lunch meals served. We will accept a direct cost sheet instead of the proposed .0504 per meal management fee. Will also make sure we are using USDA equivalency rate, which is updated by USDA each year.***

- 3 Direct Cost Discussion:
 - Cell phone - District expense ***This will become a district expense.***
 - If there is an expense that we have not agreed to, it does not need to show up on our bill. (ex: background checks)
 - All purchases will be made through CMSD's purchasing system.
