Dear

On **June 6, 2017**, Columbus will have one of the most important elections it has held in many years. We have a rare opportunity to maintain the current racial make up of the council at 4-2. We may even be able to move it to 3-3 for the first time in recent history. If we don't go vote, we could wind up with 6-0 on the council and I think that will be disastrous for the city. We **MUST** get our voters out to the polls on **June 6**.

I am running for my third term as a **City Councilman Ward 3**. I am asking for your vote and support on **June 6**.

I have worked hard to prepare myself to serve by completing the highest level of professional development offered by the state. I took 140 hours course work on every aspect of running city government and I am very proud of this accomplishment. We do not need to lose this experience on the council.

My highest priority is to keep your family and the city safe, and to bring civility and integrity to city government. Please vote for **Charlie Box for City Councilman Ward 3 on June 6**.

Sincerely,

Charlie Box
