Dear Parent or Guardian:

We are pleased to inform you that the Columbus Municipal School District will be implementing a new option available to schools participating in the National School Lunch and School Breakfast Programs called the Community Eligibility Option (CEO) for School Year 2014-2015.

What does this mean for you and your children attending the school(s) identified above?

Great news for you and your students! All enrolled students of

The Columbus Municipal School District

are eligible to receive a healthy breakfast and lunch at school at **no charge** to your household each day of the 2014-2015 school year. No further action is required of you. Your child(ren) will be able to participate in these meal programs without having to pay a fee or submit an application.

If we can be of any further assistance, please contact Robin Lang at (662) 241-7400.

Sincerely,

A handwritten signature in black ink, appearing to read "Philip Hickman", written over a white background.
