Best of the Triangle Area Professionals

Congratulations area professionals! Once again we are excited to recognize professionals from The Golden Triangle who were voted "Best" and "Among the Best" in their respective fields in our annual readers' choice poll. Thank you for the work you all do every day to make our communities better places to live, work and raise our families.

Below is a list of this year's winners, according to the thousands of votes we received not only through paper ballots but through online ballots as well. The top vote-getter in each category is listed as the "Best", while the second and third place vote-getters are listed as "Among the Best." Please note that our "Among the Best" winners are not necessarily listed in the order of the number of votes received.

If your name is listed and you did not receive your certificate, please stop by The Dispatch offices to pick it up.

Congratulations to our winners, and thank you to our readers who vote each year to make the Best of the Triangle a success.
