LIST OF WINNERS

It has been 14 years, and each year gets more exciting than the last. Early fall is one of our favorite times of year because we get to surprise our area business owners and professionals with their awards and celebrate their achievements in our Best of the Triangle publication. This year has been no exception and Dustin Nichols, Autumn Welborn and I have enjoyed visiting your businesses.

This year is even more special as we are honoring our winners with this keepsake magazine. This is a fitting year for the upgrade to a magazine format since it was by far our biggest year ever. More than 34,000 ballots went into the selection process this year. We hope you will enjoy flipping through the pages, the

winner's list and viewing snapshots of some of our area business owners. You can also see their thank you ads. Page numbers are noted beside their names in the list of winners.

The top vote-getter is listed with a blue box next to it, while the second and third place winners are listed below the winner. Multiple blue boxes indicate a tie.

Congratulations to all of our winners. We appreciate you and salute you for your service, hard work and resilience. Thank you also to our readers. We are thankful for your support and the tens of thousands of votes you submitted. If your name or business is listed below and you did not receive your certificate they can be picked up at The Commercial Dispatch office.
