Merry Christmas

Baptist wishes everyone a happy, healthy holiday season. As we spend time with our loved ones and make new memories, it's important to remember that this is also a season of giving. In the past year, Baptist has provided health care screenings and educational programs throughout our community. The kind of gift that truly keeps on giving.

During this holiday season, all of us at The Dispatch would like to thank the community for its continued support. We remain committed to bringing you the most in-depth journalism in the area.

As we enter the New Year, we look forward to continuing to serve you and wish you a happy and healthy new year.

Santa Claus POST OFFICE We Wish Jun a Menny Christmas

Dear Children,

I hope all of you have been nice this year. I don't like to see anyone's name on the naughty list.

We have worked hard all year making Christmas toys. Mrs. Claus and the Reindeer helped me get ready to deliver all of the presents.

I enjoyed reading all of your letters. Some of your letters were on red paper and looked very festive. The nice people at the Dispatch weren't able to include those in the newspaper though because the red paper was very dark and you couldn't read the letters. But they did send all of the letters to me at the North Pole. So next year, remember to put them on white paper so they can go in the newspaper.

I hope everyone will be nice and kind next year. Remember, I'm watching to see if you are naughty or nice all year, not just at Christmas.

Love,

We hope your hearts are full of joy this holiday season and your new year is full of health and happiness.
