**FINCON.NET | 662.327.1480**

**2980 N FRONTAGE RD COLUMBUS, MS**

Third Party Ratings - Disclosure | 2025 Best of the Triangle  
Voting took place from 3/1/2025 – 3/30/2025 | Award received  
4/30/2025

"The Best of the Triangle" ... Best Investment Firm, Best Financial Planner, Best Financial Advisor, Among the Best Customer Service, surveys are conducted as a blind poll each year. The Commercial Dispatch, organizers of the award, have run a poll each year, for the past 20 years, and applicants are required to complete an extensive application writing in names for the different categories. For the vote to count the reader must vote in 10 different categories. The Best of the Triangle references the businesses located within the Golden Triangle. The Golden Triangle is a common term used to reference the proximity of the cities Columbus, West Point, and Starkville. Commercial Dispatch reserves the right to restrict the local winners to only persons whose primary residence is within a 60-mile radius of Columbus, MS. One of the primary goals of the survey is to help wealth management firms improve their business operations. Award listings, rankings and/or recognition by unaffiliated rating services and/or publication should not be construed by a client or prospective client as a guarantee that he/she will experience a certain level of results if Financial Concepts is engaged, or continues to be engaged, to provide investment advisory services, nor should it be construed as a current or past endorsement of Financial Concepts by any of its clients. Financial Concepts is a registered investment advisor.
