Merry Christmas

Baptist wishes everyone a happy, healthy holiday season. As we spend time with our loved ones and make new memories, it's important to remember that this is also a season of giving. We give back to our community each year through free health screenings, educational programs, serving those in need, donating to the underserved and so much more. We are proud to take the mission of healing outside the walls of our hospital and give the kind of gift that keeps on giving.
